

Woman's Club Directors Decide On Enlargement Of Stage In Clubhouse

By OLLIE P. LANSBEN.

It was decided, at a meeting of the board of directors of the Woman's club, held on Monday, that the stage in the auditorium of the clubhouse shall be enlarged. This is a question that has given the club much concern, as the stage is not nearly large enough for the more important of the club events.

Gains Twenty-Five Pounds and Feels Like a New Man Since Taking Tan-lac.

"Tan-lac has not only relieved me of my five years of stomach trouble, but I have gained twenty-five pounds in weight," said Robert McAloney, well-known contractor, of 122 York street, Halifax, N. S. "My stomach seemed to be upset all the time," said Mr. McAloney, "and it would get so sour as vinegar. Nothing tasted right or agreed with me and after forcing down a little something at meal time I would sleep with gas so I would be miserable for hours. There would be sharp, cramping pains all through my stomach and at times I could hardly get my breath. Many a night the gas bothered me so much that I walked the floor all night without a wink of sleep. I had to lay off for weeks at a time and lost thirty pounds in weight. I was habitually constipated and had a nagging headache nearly all the time. Of mornings I felt so tired and no-account it was an effort to drag myself out of bed and I had suffered so long without being able to get any better I had about reached the point where I didn't care whether I lived or not."

"But I felt entirely different since taking Tan-lac for it has put me in such fine shape I eat three big meals a day without the least trouble. The constipation, headaches and nagging feel are entirely gone and I get up in the mornings ready for a hearty breakfast and a good day's work. I simply feel like a new man and I am glad to let others know what a fine medicine Tan-lac is."

Miss Sadie R. Aldridge Gives Dance Honoring Miss Elizabeth Hudspeth

Forty of the younger set enjoyed the dance given by Miss Sadie R. Aldridge at the roof garden of hotel Paso del Norte Monday evening to compliment Miss Elizabeth Hudspeth, lovely young daughter of representative and Mrs. Claude R. Hudspeth, who has been cordially welcomed back from Washington, where, with her parents and brother, Claude, Jr., she spent the winter season.

Miss Aldridge, Miss Hudspeth, Mrs. Hal Aldridge, mother of the hostess, Mr. and Mrs. Hudspeth and Mr. and Mrs. R. A. Morris received the guests on the mezzanine floor of the hotel. One wing of the roof garden was reserved for the party and food punch was served during the dancing hours. A buffet supper was served at the intermission.

To celebrate the triumph of the Seventh Cavalry in the final stages of the horse show held on Monday morning, commanding officer of the regiment, Col. Charles Symmonds, and Mrs. Symmonds, gave the happiest

of dancing parties in the regimental officers' clubhouse on Monday evening. The arrangements were quickly made, no plans for the dance having been made prior to Monday. The affair was strictly a regimental event, the decorations were flowers, trees, gaudies and trophies of the regiment. The Seventh cavalry band played for the dancing.

A dance will be given on Thursday evening at the district service clubhouse at Fort Bliss. Transportation will be furnished for the guests going from the Community Service Clubhouse leaving at 7:30 o'clock. The girls attending the dance will include those who hold cards from the Community Service Club and from the old War Camp Community Service.

A delightful affair in the planning of the dance is to be given at Mission hall, West Yelton, on Saturday evening. The decorations are to be especially pretty and prizes will be awarded in dancing contests.

MEAT PACKERS GATHER TO DISCUSS BEEF COST

Chicago, Ill., June 29.—Meat packers from all parts of the country will meet in Atlantic City September 15, 16 and 17, to discuss problems affecting the industry. Thomas E. Wilson, president of the Institute of American Meat Packers, announced today.
